 PROCEEDINGS OF THE KINGSTON
 CONFERENCE

The participants of last
 November's Conference on the Study
 of the History of Canadian
 Science and Technology, held at
 Kingston, were in agreement that
 the proceedings of that meeting
 should be published and funds had
 been obtained by the organizing
 committee towards that end. The
 proceedings, under the title of
Science, Technology and Canadian
 History/Les sciences, la tech-
 nologie et l'histoire canadiennes,
 edited by R.A. Jarrell and N.R.
 Ball, will be published by the
 Wilfrid Laurier University Press.
 It is hoped that the volume will
 be available by November 1979.
 The proceedings will be printed
 in soft cover and will be sold
 at a reasonable price.
