CONTRIBUTORS AND EDITORS

Marianne Gosztonyi Ainley holds a PhD from McGill University and is Principal of the Simone de Beauvoir Institute at Concordia University in Montréal.

Arthur E. Covington was appointed to the Radio Branch of the National Research Council in 1942 and pioneered in radio astronomy in the Radio and Electrical Engineering Division (from 1946) and the Herzberg Institute of Astrophysics (from 1975) until his retirement in 1978.

Philip C. Enros took his PhD at Toronto and is currently on the staff of the Office of the Science Advisor of Environment Canada in Ottawa.

Ralph H. Estey is Professor Emeritus of Plant Science of McGill University, where he taught the history of plant pathology.

Georgina Feldberg, a Harvard PhD, is Assistant Professor of Social Science and Co-ordinator of the Programme in Health and Society at York University.

Yves Gingras took his PhD from the Université de Montréal and is Professor of History at the Université du Québec à Montréal.

Michel Girard, a University of Ottawa PhD, is a Senior Policy Analyst for the Federal Environmental Assessment Review Office of Environment Canada, Ottawa.

Richard A. Jarrell holds a Toronto PhD and is Professor of Science Studies and of History and Chair of the Department of Science Studies, Atkinson College, York University.

Alison Li is a doctoral candidate at the University of Toronto's Institute for History and Philosophy of Science and Technology; her thesis deals with J.B. Collip.

Catherine Millar recently received a BA in Science and Human Affairs at Concordia University and directs the science laboratories at St Thomas High School in Pointe Claire, Québec.

Donald J. C. Phillipson is an independent scholar and an instructor in the Science and Human Affairs Programme at Concordia University.

Terrie M. Romano is currently completing a PhD dissertation on John Burdon Sanderson at the Department of History of Science and Medicine at Yale University.

A. W. Tickner was a Postdoctorate Fellow and later Research Scientist and Senior Archival Officer of the National Research Council.
