PROVINCE DE QUÉBEC

LISTE DES AGENTS d'assurance sur la vie autorisés, du 1er janvier au 30 juin 1937, à faire affaires dans la province de Québec durant l'année 1937.

Liste No 7 - Juillet 1937

Dressée à l'aide de renseignements communiqués par le service des Assurances de la province de Québec, la présente liste est publiée conjointement par le service des Assurances et par un comité formé des représentants de la Canadian Life Insurance Officers Association, de la Life Underwriters Association et de la Canadian Association of Life Agency Officers. On y trouvera sous le titre de l'endroit d'abord, puis de la compagnie, les noms des agents classés dans les quatre catégories officielles : A, B, C, D. En adoptant cette classification, on a eu pour but de faciliter l'étude de l'organisation commerciale des sociétés d'assurance sur la vie au Canada et, en lui accordant une certaine publicité, d'aider les sociétés à conduire leurs affaires ouvertement et avec une entière bonne foi, par l'entremise d'agents choisis par le siège social des compagnies d'assurance-vie, recommandés par la section-vie du comité consultatif et, enfin, approuvés par le Surintendant des Assurances de la province de Québec.

La nomenclature comprend la liste complète des agents à qui on a remis une licence, même si celle-ci a été annulée par la suite durant le dernier semestre.

Nous tenons à rappeler ici : a) qu'on doit communiquer sans retard au Surintendant des Assurances, à Québec, toute violation de la loi; b) que le service des Assurances n'accepte pas la responsabilité d'une omission ou d'une erreur quelconque qui se serait glissée dans le présent répertoire, malgré les précau-

List No. 7, Issued July 1937

Compiled from list furnished by the Department of Insurance for the Province of Quebec and published jointly by that Department and a Joint Committee representing the Canadian Life Insurance Officers Association, the Life Underwriters Association and the Canadian Association of Life Agency Officers.

The list gives the following information in the order stated: Place, company, whole, general, whole time office employee or part time insurance agent, and name under classification.

The list is published to facilitate the analysis of the agency organization of all Life Companies, and as far as possible, through publicity, to ensure that the Life Insurance agency business shall be conducted publicly and in good faith, by competent and trustworthy representatives, who are each recommended by the Head Office of a Life Insurance Company, also by the Advisory Board, Life Section, and approved by the Superintendent of Insurance of the Province.

The list contains the names of all agents having received a license during the period covered, even if the license was either cancelled or revoked during such period.

Instances of violation of the law should be promptly reported to the Superintendent of Insurance, Parliament Buildings, Quebec, Que.

While every effort is made by the Department of Insurance to ensure accuracy, it cannot assume responsibility for errors or omissions in this list.
