Contributors/Collaborateurs

John C. Bacher has recently completed his Ph.D. in history at McMaster University. His dissertation examines the evolution of Canadian housing policy during the first half of this century. [John C. Bacher, 134 Church Street, St. Catharines, Ontario, L2R 3E4.]

J. David Hulchanski is an Assistant Professor of Community Planning and Housing at the University of British Columbia, where he teaches a course on the history of Canadian planning and housing policy. [Professor J. David Hulchanski, School of Community and Regional Planning, 6333 Memorial Road, University of British Columbia, Vancouver, B.C., V6T 1W5].

Pierre Guillaume est ancien élève de l'Ecole Normale Supérieure de Saint-Cloud, agrégé d'histoire, docteur de 3^e cycle avec une thèse sur "Les mines de la Loire au XIX^e siècle," docteur d'Etat avec une thèse sur "La population de Bordeaux au XIX^e siècle." Il a publié une quinzaine d'ouvrages, dont le dernier a pour titre *Paris-Québec-Ottawa, un ménage à trois*, et quelque soixante-dix articles. Professeur titulaire à l'Université de Bordeaux I, où il dirige, depuis sa fondation, le Centre d'Etudes Canadiennes, il est également Président de l'Association des Historiens Contemporanéistes de l'Enseignement Supérieur et de la Recherche. [Prof. Pierre Guillaume, Maison des Sciences de l'Homme d'Aquitaine, Esplanade des Antilles, Domaine Universitaire, 33405 Talence, Cedex France].

Gunter Gad is an Associate Professor in the Department of Geography at the University of Toronto. His research interests include the emergence and further development of central business districts as well as the present dynamics of office location at the metropolitan and national levels. [Professor Gunter Gad, Department of Geography, University of Toronto, 100 George Street, Toronto, Ontario, M5S 1A1].

Deryck Holdsworth is an Associate Professor in the Department of Geography at Pennsylvania State University. He has written on suburban development, vernacular architecture and heritage preservation in addition to his interest in downtown landscapes. Most recently he wrote a history of the Parking Authority of Toronto. He is also co-editor, Volume III of the *Historical Atlas of Canada Project*. [Professor Deryck Holdsworth, Department of Geography, 302 Walker Building, Pennsylvania State University, University Park, Pennsylvania 16802 USA].

Jon Caulfield, a sociologist, instructs urban studies at York University. His current research interest is images of the city in Canadian painting as cultural artifacts, aesthetic objects and historical documents. [Jon Caulfield, Instructor of Social and Political Science, York University, 4700 Keele Street, North York, Ontario, M3J 1P3].

Elizabeth Bloomfield is a private scholar who has taught geography and history at the Universities of Auckland, Guelph and Waterloo. One research interest has been the role of municipal elites in fostering urban-industrial growth in Ontario since 1870. She has also developed computer methods for accessing industrial data from the 1871 manuscript census of Canada and for bibliographic compilation, and contributes annual bibliographies of international and Canadian urban history to the *Urban History Review*. [Dr. Elizabeth Bloomfield, 16 Caribou Crescent, Guelph, Ontario, N1E 1C9].
