## Articles que la revue "Assurances" indique au lecteur.

### The National Underwriter

#### *Marketing Woes ?*

Now it's Reinsurers' turn to complain: On the heels of reports that direct market faces a severe capacity crisis comes a warning that reinsurers may be facing the same situation.

p. 1            11 oct.    1974

#### *NAMIA Told:*

Rate Increases, Yes; Inflation Panic, No.

p. 1            25 oct.    1974

#### *Washington:*

Supreme Court Rules on Life Insurance Company Taxation, Recovery From Reinsurers.

p. 7            25 oct.    1974

#### *At CPCU Seminar:*

No-Fault for all General Liability Lines is studied.

p. 1            15 nov.    1974

#### *CPCUs Told:*

Capacity Crunch is one problem — But "Survival" is a Bigger one.

p. 11           15 nov.    1974

Inflation seen dimming prospects of No-Fault, National Health Program: "Inflation will dim the prospects of national health insurance and Federal no-fault auto insurance, Roy R. Anderson, vice president of Allstate Life, told the Society of Actuaries at its annual meeting in New Orleans".

p. 12           15 nov.    1974

### **Business Insurance**

Chicago — Largest wrongful death award in state history:

## A S S U R A N C E S

---

A Cook County circuit court judge Sept. 17 awarded damages totalling \$2,016,000 to the survivors of two men killed in a 1971 highway crash which involved a Beatrice Foods Inc. truck driver

p. 1            30 sept. 1974

### **L'Argus**

#### *Rendez-vous de septembre 1974:*

76

Influence de l'inflation sur les contrats d'assurances en matière d'incendie et de risques divers: par M. Robert Beineix.

p. 1755    20 sept. 1974

Belgique: Journées internationales des producteurs d'assurances:  
Problèmes d'avenir, communs à l'assureur direct, au courtier et au réassureur.

p. 1770    20 sept. 1974

#### *18e Rendez-vous de septembre:*

Des sujets d'actualité

Des résultats techniques relativement satisfaisants dans l'ensemble, mais une inquiétude persistante pour certains risques, avec danger d'inassurabilité.

Mais surtout un pessimisme devant les conséquences de l'inflation.

Un espoir: le dialogue; une recommandation: l'amélioration du risque.

p. 1802    27 sept. 1974

Inflation et réassurance par Dr. E. Schütte

Réassurance proportionnelle — sinistre — frais généraux

Réassurance non proportionnelle — excédent de sinistre, etc.

p. 1919    11 oct. 1974

Cet article a paru également dans le numéro de janvier 1975 d' "Assurances".

Gloomy Underwriting Outlook

Rough Road for Facility

No-Fault Under Fire p. 80 Nov. 1974

### **Canadian Underwriter**

Market problems and the IBC, by Ian D.  
Mair

"Too many of us seem to be anxious to  
replace the \$100 million that was confis-  
cated in B.C. by chasing premiums in all  
classes elsewhere in Canada".

"The year ahead presents us with many  
challenges. We hope we can see Vari-  
plan launched with all its accompanying  
problems and requirements . . ." p. 58 Octobre 1974

### **Canadian Insurance**

Commercial property rate increases seen  
due to increased material costs. p. 10 Nov. 1974

## A S S U R A N C E S

---

No-Fault: Premier of Ontario Mr. W. G. Davis tells Industry to keep tort for pain and suffering.

"We have yet to be persuaded that there would be any merit in denying tort recovery in cases of pain and suffering, loss to the amenities of life or shortened expectation of life."

p. 15      Nov.      1974

78

*Markets in disarray*

The Industry faces staggering problems in the marketplace in both the United States and in Great Britain. But the problems of marketplace may prove far worse, soon, in Canada.

p. 54      Nov.      1974
