Bibliography: Recent Publications Relating to Canada's Urban Past

Bibliographie: Contributions récentes à l'histoire urbaine du Canada

Elizabeth Bloomfield

Preface/Préface

This bibliography appears annually in each October issue of the *Urban History Review*. It is organized to follow the categories and format of A.F.J. Artibise and G.A. Stelter, *Canada's Urban Past: A Bibliography to 1980 and Guide to Canadian Urban Studies* (Vancouver: University of British Columbia Press, 1981).

With the substantial number of publications of potential interest to Canadian urban history, we need help from the readers of the *Urban History Review*. Please send bibliographic references, especially for theses, discussion papers, articles on Canadian urban subjects published outside Canada and local history items, to:

Dr. Elizabeth Bloomfield
16 Caribou Crescent
Guelph, Ontario
N1E 1C9

Bibliographic references are welcome at any time of year; for inclusion in the 1984 list (to be published in October 1984) please send them in by the end of May 1984.

Chaque année, le numéro d'octobre de la *Revue d'histoire urbaine* contient une bibliographie conçue sur le modèle de A.F.J. Artibise et G.A. Stelter, *Canada's Urban Past: A Bibliography to 1980 and Guide to Canadian Urban Studies* (Vancouver: University of British Columbia Press, 1981). Les titres y sont classés selon les mêmes catégories.

En raison du nombre considérable de publications qui peuvent présenter un intérêt pour l'histoire du Canada urbain, nous sollicitons l'aide des lecteurs de la *Revue d'histoire urbaine*. Prière de faire parvenir toutes références bibliographiques, en particulier, de thèses, de documents de travail, d'articles portant sur le Canada urbain et publiés en dehors du Canada ou de sujets relatifs à l'histoire locale, à:

Dr. Elizabeth Bloomfield
16 Caribou Crescent
Guelph (Ontario)
N1E 1C9

Les références bibliographiques peuvent être envoyées à tous moments, mais pour qu'elles paraissent dans l'édition 1984 (qui sortira en octobre 1984), il faut qu'elles soient reçues avant la fin du mois de mai 1984.
