PROVINCE DE QUÉBEC

LISTE DES AGENTS d'assurance sur la vie autorisés, du 1er janvier au 30 juin 1939, à faire affaires dans la province de Québec durant l'année 1939.

Liste No 9 - Juillet 1939

Dressée à l'aide de renseignements communiqués par le Service des assurances de la province de Québec, la présente liste est publiée conjointement par le Service des assurances et par un comité formé des représentants de la Canadian Life Insurance Officers Association, de la Life Underwriters Association et de la Canadian Association of Life Agency Officers. On y trouve sous le titre de l'endroit d'abord, puis de la compagnie, les noms des agents classés dans les quatre catégories officielles: A, B, C, D. En adoptant cette classification, on a eu pour but de faciliter l'étude de l'organisation commerciale des sociétés d'assurance sur la vie au Canada et, en lui accordant une certaine publicité, d'aider les sociétés à conduire leurs affaires ouvertement et avec une entière bonne foi, par l'entremise d'agents choisis par le siège social des compagnies d'assurance-vie, recommandés par la section-vie du comité consultatif et, enfin, approuvés par le Surintendant des Assurances de la province de Québec.

La nomenclature comprend la liste complète des agents à qui on a remis un permis, même si celui-ci a été annulé par la suite.

Nous tenons à rappeler ici: a) qu'on doit informer sans retard le Surintendant des Assurances, à Québec, de toute infraction à la loi; b) que le Service des assurances n'accepte pas la responsabilité d'une omission ou d'une erreur quelconque qui se serait glissée dans le présent répertoire, malgré les précau-
